The Yearling Opportunity!

Welcome to our seventh yearling sale.

The opportunity for profitable heifer mating has never been greater than evidenced by the demand for in calf animals last autumn and continuing strong beef prices. This catalogue is designed to give confidence to heifer mating programs.

These yearlings have been selected from 270 bulls specifically for heifer mating. Almost half the catalogue is made up of Stern McCaw sons and grandsons. McCaw is a trait leader for short gestation length and ranks in the top 15% of the breed for Self Replacing Index! These are indeed proven calving ease bulls.

As always pre sale inspection is welcome. We also have a number of two year old bulls available for paddock sale.

Kind Regards

James and Fe.

What is Premier Bull cover?

FMG has partnered with Angus NZ to offer comprehensive insurance cover from the fall of the hammer with the vendor. All bulls auctioned at this exclusive Angus NZ and FMG sale up to the value of \$25,000 will automatically be covered under FMG's Premier Bull cover for 14 days at no cost to the purchaser.

If you require an alternative cover period talk to an FMG representative.
